In the exercise of the power conferred under section 22(1) read with section 32 of Delhi Skill and Entrepreneurship University Act 2019, the Board of Management of Delhi Skill and Entrepreneurship University makes the following Regulation namely “REGULATION 3A”;

1. SHORT TITLE, APPLICATION AND COMMENCEMENT:

- These Regulations shall be called as the Delhi Skill and Entrepreneurship University, implementation of Three Year Diploma (Technical) (NCrF level 4.5) in a Major Discipline with Multi Entry and Exit options in the light of National Education Policy 2020.
- They shall be applied to all Campuses, BoS/CoC, Faculties and Departments/School of Studies of Delhi Skill and Entrepreneurship University from the Academic Session 2024-25.
- They shall come into force from the date of notification issued by the University and shall replace the existing regulations or rules for Three Year Diploma Programs.

Regulation 3A: Regulations for Three Year Diploma (Technical) (NCrF level 4.5) in a Major Discipline.

Regulation 3A: This regulation pertains to the regular Technical Skills Program (TSP) or Vocational Skills Program (VSP) notified, as Three Years (Six Semesters) Diploma (Technical) in a Major Discipline, by the university. This regulation will come into force from the Academic Session 2024-25. This regulation is based on Regulation 2-A and shall be interpreted accordingly.

Regulation 3A-1: Subsequent to the approval of the Academic Council, the university may offer a new Three Years (Six Semesters) Diploma (Technical) (hereafter referred to as TDT) in a Major Discipline. The list of Major Disciplines in which TDT is offered may be appended or amended as approved by the Academic Council. One of the Board of Studies or Committee of Courses constituted by the Vice Chancellor will be entrusted the responsibility of developing

curriculum for Discipline Centric Core (DCC) and Discipline Specific Elective (DSC) courses of the Major Discipline of TDT.

Regulation 3A-2: Number of seats in each TDT program at a particular campus of the University will be as approved and notified by the Academic Council of the University and as advertised for admission to the program. However, Vice-Chancellor of the university by issuing orders may increase and decrease the number of seats based on own discretion and same may be reported to the Academic Council. The University may close a TDT program offered, in which number of students who deposits fees, fall below the notified minimum number of seats, however the fee paid by the student will be fully refunded.

Regulation 3A-3: Every student admitted to the TDT programme shall be enrolled before appearing in the first semester examination through the procedure prescribed by the competent authority from time to time.

Regulation 3A-4: The medium of instructions in general shall be primarily English except for language courses. However, university may notify the medium of instruction for a specific programme, and in such cases the medium of instruction shall be as notified by the university. The medium of instructions for examinations shall be Hindi and English both.

Regulation 3A-5: No student shall be eligible for enrolment in the TDT in a Major Discipline and admission to the course of study for the First Semester of the TDT unless they have either (i) passed the Secondary School Examination (Class X) of the Central Board of Secondary Education or its equivalent examination conducted by Boards in India or abroad recognized by the Council of Boards of School Education (COBSE), with the requisite subject/discipline if so specified in the curriculum of the TDT program, and with an aggregate percentage of more than or equal to 40%, or an equivalent Grade Point Average, or (ii) passed a two-year National Trade Certificate from an institution recognized by the National Council of Vocational Education and Training (NCVTE) in the relevant/allied trade related to the Major Discipline of TDT with an aggregate percentage of more than or equal to 40%, or an equivalent Grade Point Average, or (iii) earned 40 credits of relevant qualification at NCrf level 3.0, or (iv) has "on-job experience" in the related sector with relaxed minimum qualifications as notified by the University after approval of the Academic Council. Provided that university reserves the right to cancel enrolment in the first semester by refunding the fee within one month of commencement of semester, if total number of students depositing fee in the program falls below the minimum seats prescribed for running a program as notified by the university.

Regulation 3A-6: The typical duration of a TDT is three years comprising of six semesters. The curriculum of the TDT in a Major Discipline will be divided into six semesters (I to VI) and will involve components called courses classified and specified as per Regulation 2-A. Though the initial enrolment will be in the First Semester, no minimum credit requirement will be applicable for registration in a course in the subsequent semesters except for meeting the prerequisites and corequisites as specified in the curriculum and availability of seats on merit basis.

Regulation 3A-7: Students can exercise options of the multiple entry and exit as specified in the Regulation 2-A. There is no set maximum duration for completing a TDT. With the multi-entry and exit options, students can opt to exit the program at their discretion. However, for entry re-admission to the program will be based on availability of seats, merit in the applicable reservation category or open category.
