

Invitation for Expression of Interest (EOI)

Partner with Delhi Skill and Entrepreneurship University (DSEU) to Build Future-Ready Talent!

Delhi Skill and Entrepreneurship University (DSEU), a premier state-funded university dedicated to excellence in skill education and entrepreneurship, invites industry partners, corporations, and associations to collaborate in establishing state-of-the-art skill labs and launching apprenticeship/internship/on-the-job-training (OJT)-based academic programs across its 23 campuses in Delhi-NCR.

Partnership Opportunities

1. Establish Advanced Skill Labs

- Co-develop **industry-standard labs** for **high-demand job roles** which can be used in Academic course & staff training.
- Contribute **equipment, technology, and expertise** for hands-on learning.
- Offer **On-Job-Training (OJT) opportunities** at industry premises.

2. Launch Work-Integrated Learning Programs

- Co-create **NEP 2020 & NCrF-aligned** apprenticeship/internship/OJT programs.
- Deliver **industry-certified short-term training modules**.
- Provide **industry experts** for training, mentorship, and evaluations.
- Engage **Professors of Practice** (1 day/week or 1 session/day).

3. Curriculum Co-Design & Innovation

- Collaborate on **NCrF-aligned, future-ready curricula**.
- Integrate **industry best practices** to bridge skill gaps.
- Pioneer programs in **AI, IoT, Robotics, Green Energy, Nanotech, Biomedical Engineering, Quantum Tech, Sustainability, and more**.

4. Joint Certification & Career Pathways

- Offer **dual certification (DSEU + Industry Partner)**.
- Facilitate **campus recruitment & assured placements**.

Why Partner with DSEU?

- Access to 23 DSEU campuses & a talented pool of learners.**
- Shape the future workforce** with industry-aligned education.
- Strengthen CSR & ESG initiatives** while contributing to nation-building.
- Government-backed credibility** with flexible PPP models.
- Tax benefits under the Apprenticeship Act & CSR provisions.**

Who Can Apply?

- ✓ **Corporates & MSMEs** across all sectors.
- ✓ **Industry Associations** (for sector-wide collaborations).
- ✓ **Startups & Tech Innovators** keen on skill development.
